

PROJECT PLANNING REVIEW (PPR)/INTERGOVERNMENTAL REVIEW AND CONSULTATION (IGRC): 1ST QUARTER STATE FISCAL YEAR 2020

**Transportation Subcommittee
June 21, 2019**

ACTION REQUESTED

Recommend this item to the Planning and Programming Committee for its consideration of placement on the June 2019 Board of Director's agenda:

- **1st Quarter SFY 2020 Project Planning Review for:**
 - items 5.a.i. – iii. Unless individual action is required

PREVIOUS ACTION

Presented to the Transit Council, Bicycle Pedestrian Advisory Council (BPAC) and Safety Operations Council (SOC) for information and input

BACKGROUND

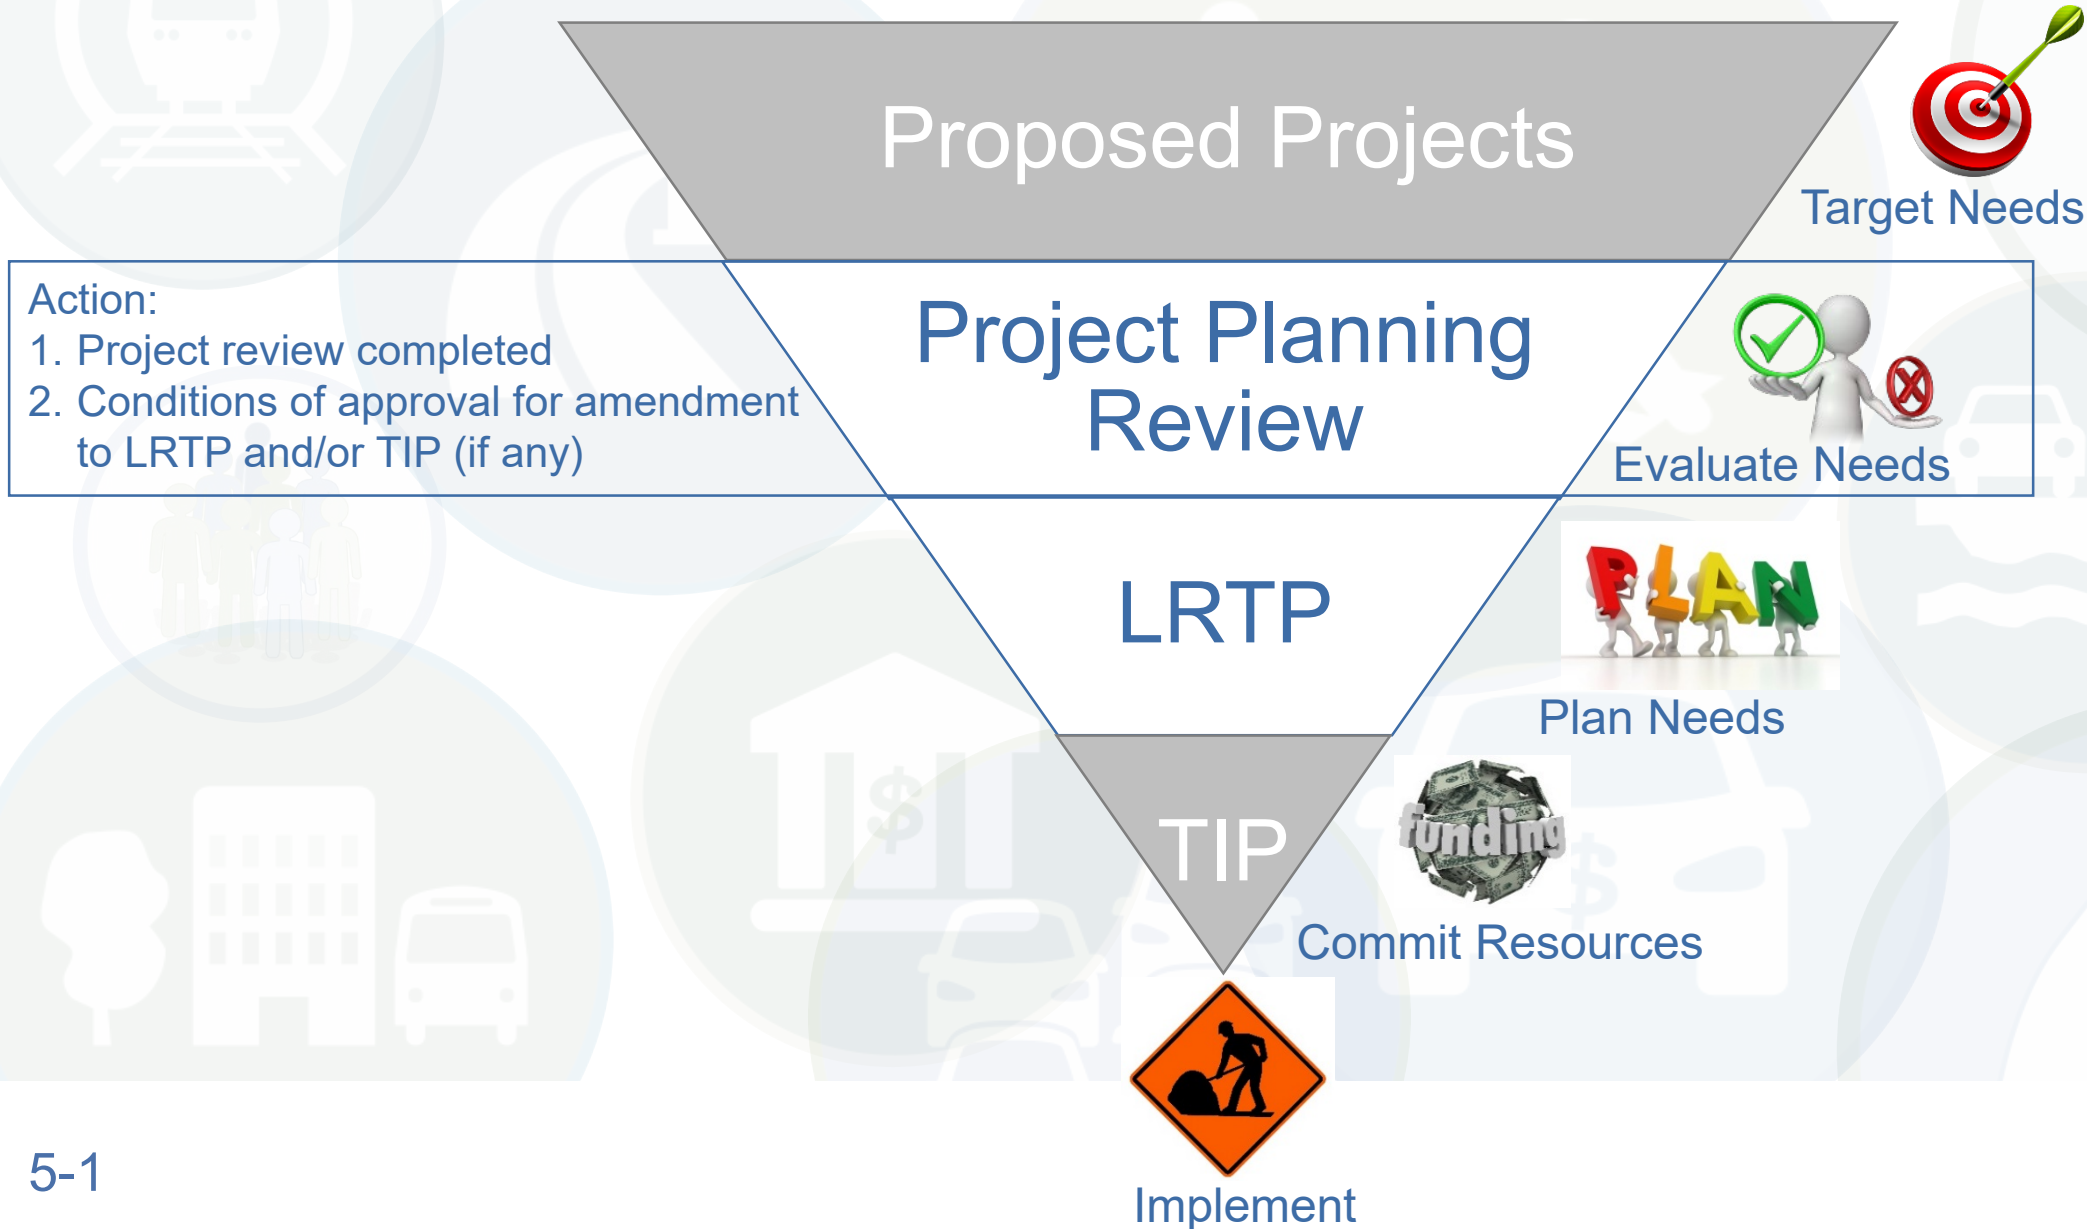

The purpose of Project Planning Review:

- To assess if a proposed project helps to achieve NOACA vision and goals
- To ensure that the proposed project is consistent with NOACA planning requirements

Review of proposed projects involves:

- Staff review
- NOACA Board, including committees, subcommittees and advisory councils
- Intergovernmental Review and Consultation (IGRC)
- Public Involvement

BACKGROUND

BACKGROUND

Projects not requesting NOACA funds Reconstruction of Aurora Road in Solon

Project Type	Project Name and Location	Primary Work Type	Total Cost
Roadway	CUY SR 43 (Aurora Road), from the Solar Shopping Center, 0.13 mile east of SR-91 (SOM Center Road) to Liberty Road, in Solon (project sponsor: Solon)	Improvements: <ul style="list-style-type: none">• Pavement resurfacing• Minor widening<ul style="list-style-type: none">• Addition of two way left turn lane (2 lanes to 3 lanes)• Right turn lanes at Clearwater Court, Portz Parkway, and Liberty Road• Right turn lane on Liberty Road SB to Aurora Road WB• New traffic signal at Portz Parkway• South Side: 10' Multi-use path• North Side: Bike lane westbound, 5' sidewalk• Also includes new water line, storm sewer	\$8.1M (HSIP & Solon) <ul style="list-style-type: none">• PEPD - \$65k (2019)• PEDD - \$11k (2019)• RW - \$450k (2020)• CO - \$7.1M (2021)• CE - \$490k (2021)

Reconstruction of Aurora Road in Solon

BACKGROUND

Projects not requesting NOACA funds

Reconstruction of Aurora Road in Solon

BACKGROUND

Projects not requesting NOACA funds

Reconstruction of Aurora Road in Solon

Recommendation *	Completed	In Process
The project area is Level 2 of the NOACA Freight Network, meaning relatively high truck counts. Design should consider their turning movements mainly at the shopping center.		✓
Include high-visibility crosswalks and pedestrian countdown heads with the new signal at Portz Parkway. Include pedestrian crossing for Aurora Road		✓

* Recommendations have been forwarded to the project sponsor for consideration and coordination

BACKGROUND

Projects not requesting NOACA funds

Reconstruction of Aurora Road in Solon

The Bicycle Pedestrian Advisory Council (BPAC) Recommendations *	Completed	In Process
Consider providing less width to the vehicular lanes and more width to the bike lane and/or create a buffer between the bike lane. However, the Safety and Operations Council cautioned not to reduce the eastbound travel lane as some cyclists may still choose to use the road rather than the side path.		✓
Consider a shared use path on both sides of the road in lieu of the bike lane (allocate the 5 feet to creating a path, 10 feet wide, rather than a path, 5 feet wide and a bike lane, 5 feet wide).		✓
BPAC strongly recommends signing and or centerline striping on the new multi-use path. Since the existing sidewalk on the south side is being widened to serve as a multi-use path, BPAC recommends measures that will identify that the facility has changed and cyclists are permitted on the path.		✓

* Recommendations have been forwarded to the project sponsor for consideration and coordination
